I understand the expectations of students who receive these awards and will ensure that this student meets these commitments\*.

**\* Expectations of Students Who Receive Research Awards:** Projects must be completed by August 31, 2010. By September 1, 2010, awardees must:

- (1) Submit a one-page summary of the completed research project to Dr. R. Jones (mail code 0406; rhjones@vt.edu). The research summary will appear on university web page and will include an image of the student and an image reflective of the research project.
- (2) Either present their work at a forum appropriate for their field (e.g., poster, paper, show, reading, etc.) or to have identified and scheduled an occasion on which to do so. The presentation can be on campus (given at university events, such as an undergraduate research fair), or at a local, regional, or national events. Awardees must apply for the ACC Meeting of the Minds (to be Held at Georgia Tech April 16-17, 2010, details to be published later).
