

* Senates hold 1st and 2nd readings of resolutions advanced by the commission(s) assigned to them. Since CEOD and COIA report directly to University Council (UC), their resolutions do not have senate readings.

** Senates may comment on resolutions advanced to University Council (UC) by commissions not assigned to them. Comments should be made no later than one week after commission approval but can be made earlier.

*** Some resolutions require approval outside of the University from SCHEV and/or SACSCOC.
