All candidate dossiers must be submitted to the Office of the Executive Vice President and Provost according to the following guidelines.

Document Format: The dossier should be formatted as follows

- font type of either Verdana or Arial
- minimum font size of 11
- single-spaced
- double-spaced between paragraphs
- margins of 1-inch left/right and top/bottom
- pages are not numbered.

Dossiers are prepared and submitted as electronic documents. Using version 8.0, 9.0, Adobe Acrobat XI Professional or Adobe Acrobat Pro DC, a candidate submits his or her dossier to the department as a pdf-file with the major headings (I – IX and A – M) bookmarked. (It is not necessary to bookmark outline items V.B.1 – 15.) Adobe Acrobat Pro DC software for Mac or Windows is available from the following website: http://www2.ita.vt.edu/software/department/products/adobe/acrobat_pro/index.html

*Please be sure to activate OCR Text Recognition (go to Document—OCR Text Recognition—Recognize text using OCR…) on each dossier before bookmarking it.*

Section II of the promotion dossier is not prepared by the candidate. The department head, departmental promotion committee, dean, and college promotion committee will insert section II into the candidate’s electronic dossier. The departmental and college administrative assistants are responsible for bookmarking those major headings (II. A – G).

A separate table of contents is not necessary. The electronic bookmarks act as a table of contents. If a section is not applicable to a candidate’s dossier, please include the outline number in the body of the dossier, but indicate that the section is not applicable or “N/A.” There is no need to bookmark a section that is not applicable. The final document should be saved with the bookmarks showing. Go to File → Properties → Initial view → Navigation tab – select *Bookmarks Panel and Page → Ok.*

Dossier Outline: Specific instructions for preparing each section of the dossier are as follows.

Cover Page: The provost provides a standard cover page, available at [www.provost.vt.edu](http://www.provost.vt.edu). Please note that the cover page includes the specific committee votes. *Please record the complete vote, including zeros where appropriate.* Department and college administrative assistants should ensure that all information is completed on the cover page before sending the dossier to the next level. It is very important to indicate the appropriate type of promotion (promotion in academic rank) so that candidates are reviewed in the appropriate order.
